

REMARKS

Claims 1 and 28 are pending in the application.

In the above amendment, claim 28 was canceled without prejudice and without acquiescence to any prior rejections of the claim. The specification has been amended to update the status of the priority applications.

Applicants will be filing under separate cover corrections to the Sequence Listing and drawings, as noted by the Examiner in the prior office action.

The changes made to the specification and claims are illustrated in the attached page entitled "Marked Up Version to Show Changes Made".

Respectfully submitted,
GENENTECH, INC.
